

A NEW THRUST, A NEW CONFIDENCE, A NEW DIRECTION IMBIBED IN OBSERVANCE OF VIGILENCE WEEK. A NEW REINFORCEMENT BY THE MEDICAL SUPERINTENDENT IN THE DIRECTION NOT TOWARDS BUILDING A CORRUPTION FREE PUBLIC SERVICE BUT AN EFFORT AND ATTEMPT TO REPOSE CONFIDENCE AND STRENGTHEN THE SCRUPLES IN PUBLIC SERVICE.

THE MEDICAL SUPERINTENDENT REQUESTED ALL HEADS OF VARIOUS DEPARTMENTS TO OBSERVE VIGILENCE WEEK AND ADMINISTER VIGILENCE OATH IN RESPECTIVE DEPARTMENTS. AND EVERY ONE ACTED IN THAT DIRECTION.

THE PHOTOGRAPHS TESTIFY THE URGE, THAT EVERY CITIZEN AND EVERY PUBLIC SERVANT IS KEEN TO BE WITH THE MEDICAL SUPERINTENDENT IN AN ATTEMPT TO BUILD A BETTER PUBLIC INSTITUTION AND A MORE SCRUPULOUS NATION.
