Dr Naresh Bhardwaj
Officer I/C
NEB, SJH.

Sub: - Installation of Safety belts and braking facilities in patient's trolleys and wheelchair.

Dear Dr. Bhardwaj,

You are aware that Safdarjung Hospital is going to be assessed by NABH assessors for entry level certification in month of August 2020. The patient's safety is one of the important mandate of quality in patients care delivery system.

In this connection, for patient's safety point of view all the patients transfer trolleys and wheelchairs shall be fitted with safety belts and braking facility.

Therefore, you are requested to kindly ensure that all patients safety measures in NEB including above said provisions in patient's transport trolleys and wheelchairs are in place. Please send compliance to quality cell immediately.
